

## WE LOOK FORWARD TO WELCOMING YOU TO THE AIRPORT FOR THE RUNWAY 5K! Please read this important information about arrival & shuttle to event.

We are reaching out about how you will get to and from the event site. (You will receive detailed instructions next week – telling you all you need to know to help you enjoy the Runway 5K experience – or check [Runway5K | Asheville Regional Airport \(flyavl.com\)](https://www.flyavl.com) for info.)

**You have signed up for a unique experience.** You'll be on Asheville Regional Airport's airfield – where planes will be taking off and landing right beside the 5K race and event site. So cool!

**Important info about shuttles.** To make this event happen in this restricted aviation area, we must shuttle ALL participants to and from the site. And shuttling is going to take time! – several hours on the front end (before the event), and several hours after the event. **It will be worth it!** This is a fun experience (the 5K is just one part of the experience) –we have things for you to do at the event before and after the race!

**We ask you to PLEASE ARRIVE AS EARLY AS YOU CAN to catch a shuttle to the event site –** shuttles begin operating at 11am at WNC Ag Center Gate 7 (1301 Fanning Bridge Rd, Fletcher, NC 28732) – and the LAST shuttle before the race departs at 1:20pm. We have 1,000 racers (and others who may come with racers) to shuttle to the event site. *\*Note\* Racers have priority on shuttles, and there is one accessible shuttle for wheelchair users and those with strollers.*
